

APPLY TODAY FOR THE

DAY OF QUALITY!

Day of Quality is a day of community service where GRQC process excellence professionals offer **free consultation and facilitation** to nonprofits and small businesses. You choose a real **continuous process problem facing your daily operations**, and our volunteers will help your organization address the challenge while you learn new skills along the way.

Benefits to you:

- Immediate results and sustainable action plans for your project at day's end.
- Take away new tools and awareness of the power of quality and continuous improvement.
- Meet other leaders facing similar challenges in their organizations.

Eligibility:

- Any not-for-profit organizations or small businesses

**Email DOQ@grqc.org
to apply to be a part of the
Spring 2024 cohort!**
